DEPUTIES BATTLE WITH INDIANS

New Mexico Officers Surprise Tribe in Act of Taking Turquoise.

Santa Fe, N. M., Sept. 25.—Sheriff Closson and deputies, of this county, had an encounter with a party of Indians, 15 miles south of this city today, when the posse surprised the Indians busily engaged in taking valuable turquoise from the rich mine owned by Tiffany and company, of New York. A dozen shots were exchanged and the officers caught five Indians, the balance escaping to the mountains. It is believed several of the Indians were wounded. The Indians caught are now in jail here. The fight resulted when the sheriff and his party in answer to calls for aid from the superintendent, surprised the Indians at work. The Indians arrested said that they needed turquoise for tribal ceremonies and that all of their mines were gone. Previously, it is said, they secured turquoise by descending the mines at night. This time they tried to do it in daylight and were caught.

The Tiffany mines were worked by Indians hundreds of years ago and the Indians look upon them as their own, although the pale face has bought them.

CONSTIPATED, BILIOUS, HEADACHY, LIVER TORPID?—CASCARETS SURE

Turn the rascals out—the headache, biliousness, constipation, the sick, sour stomach and foul gases—turn them out tonight with Cascarets. Don't put in another day of distress. Let Cascarets sweeten and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry off the decomposed waste matter and constipation poison from the bowels. Then you will feel great. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your head clear, stomach sweet, liver and bowels regular and make you feel bully and cheerful for months. Don't forget the children.

10 Cents. Never gripe or sicken.

"CASCARETS WORK WHILE YOU SLEEP."

LOOSE CHANGE

Do you want to know why most of us haven't a good bank account? It is because a dime or a nickel is spent without giving it a second thought. If an article costs a dollar or two we stop and commence to wonder whether we really need it or not. If it costs a penny or a nickel, out it comes and it's gone. Now, how are you going to get it back? Can you get it as easy from some one else? Ask yourself. It isn't the dollars you spend that keep you hard up. It's the small parts of a dollar. Try and save your small change and the results will astonish you.

CHILD STOPS RUNAWAY; THEN PICKS UP INJURED FAMILY

Blanca, Colo., Sept. 25.—Frank Caulkin, 7 years old, insisted upon driving the team which was drawing himself, his father and mother and 3 year old brother, in a wagon. The team ran away and all the family except the young driver were thrown out. The child got the team under control after a three mile run, then turned around, drove back and took his father, mother and brother to a doctor. The father was unconscious and the woman and baby slightly injured.
